The Shenandoah Sharks, a local summer league swim team affiliated with the Northwest Aquatic League, features about 200 children from age 4 to 18. These swimmers are from Shenandoah, Spring, many Villages of The Woodlands as well as the FM 1488 and 242 areas. The Shenandoah swim team was founded in 1973 and has served thousands of children in the past 40 years. The Shenandoah Sharks will continue the tradition of providing a safe and enjoyable recreational summer activity for the children of the South Montgomery County community.

To aid our organization in providing opportunities, rewards, experiences and memories that make the swim team special, we are soliciting sponsorships to defray team expenses while offering your business advertisement both locally and among the five other teams in our division.

As part of this \$350 package, your business logo will be prominently displayed on a sign at the pool where more than 600 adults will see it during the course of the season. In addition, your business will be verbally recognized by our announcer at home swim meets and your logo will be displayed on our web site and promoted via our Facebook page. Our "online weekly newsletter" will also feature your business logo, and as a token of our team's appreciation we will provide you with a photo plaque commemorating the current season.

Please consider supporting the Shenandoah Sharks Swim Team as we celebrate more than 40 years of competition. Go Sharks!

Sincerely,

Shenandoah Sharks Board Members
